Earn on your schedule

Divoox for drivers

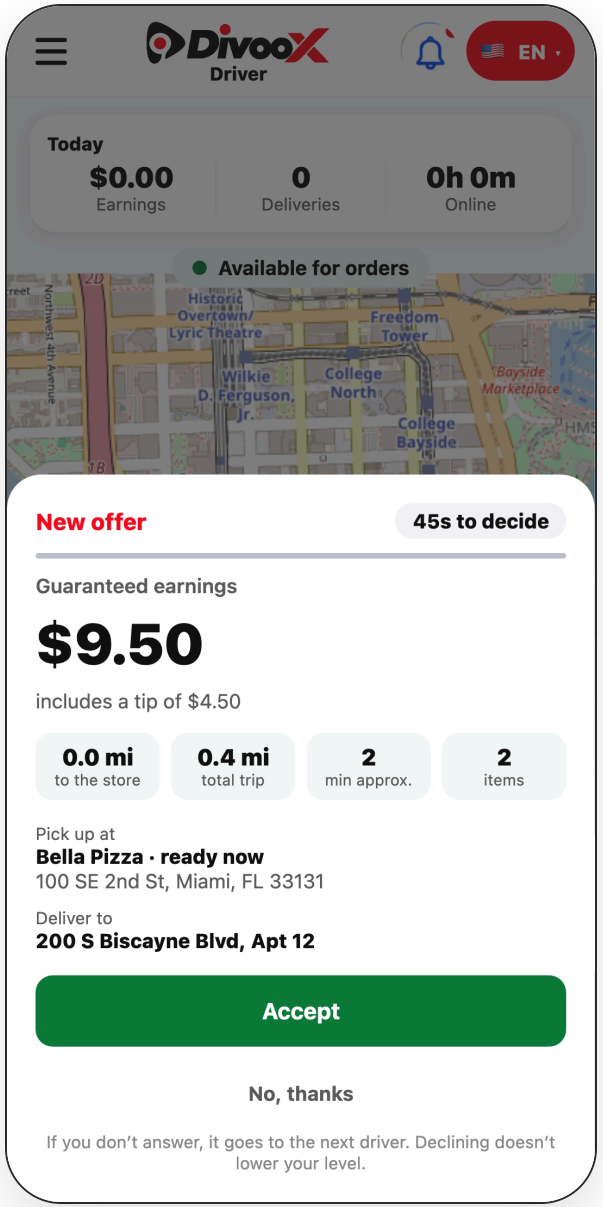

Go online whenever you want

- One tap and you’re available; another and you take a break.
- See what you earned today, your level and your balance.
- The map highlights the areas with the most orders in the last hour.

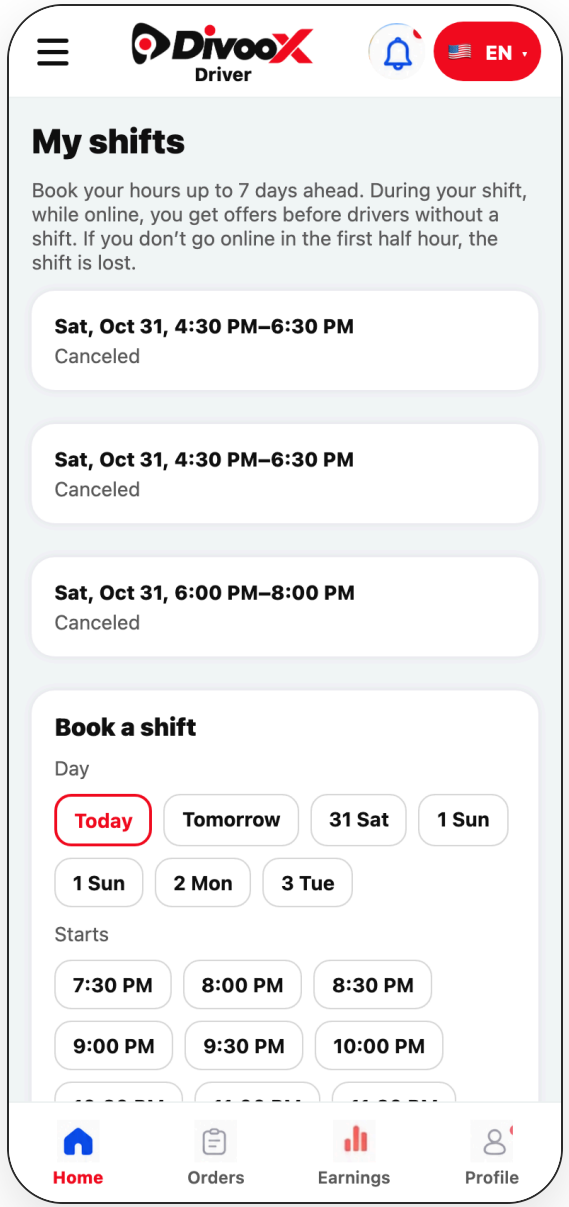

Clear offers

- Before accepting you see your pay, the distance and the restaurant.
- Accept it or let it pass.
- You keep 100% of your tips.

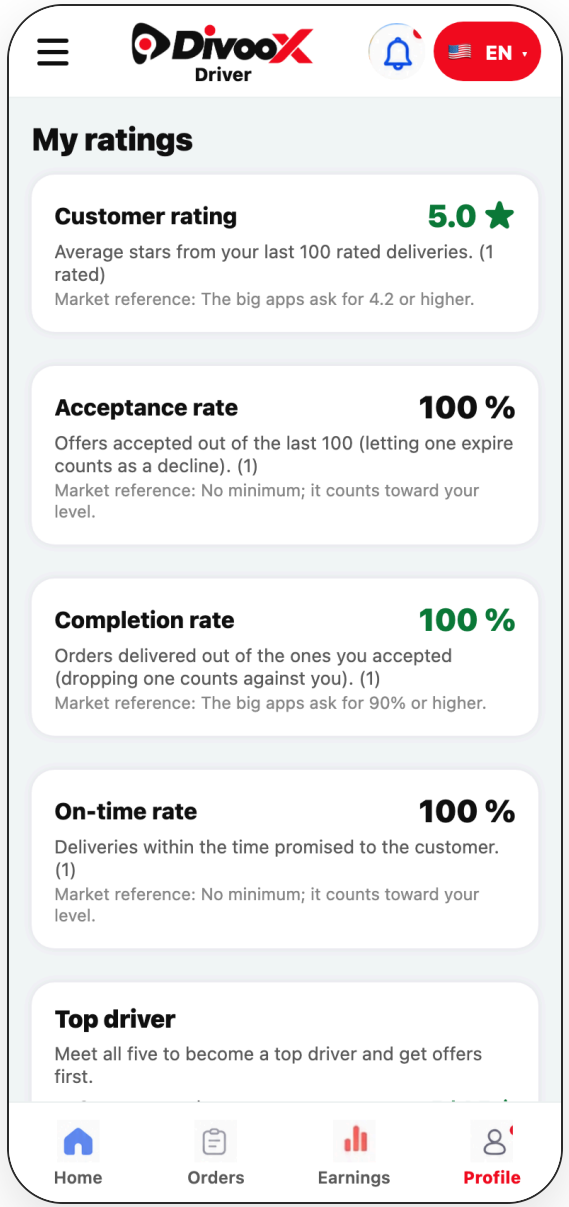

Book your shifts

- Pick your hours up to 7 days ahead, in half-hour slots.
- During your shift, while online, you get offers first.
- If you don’t go online in the first half hour, the shift is released.

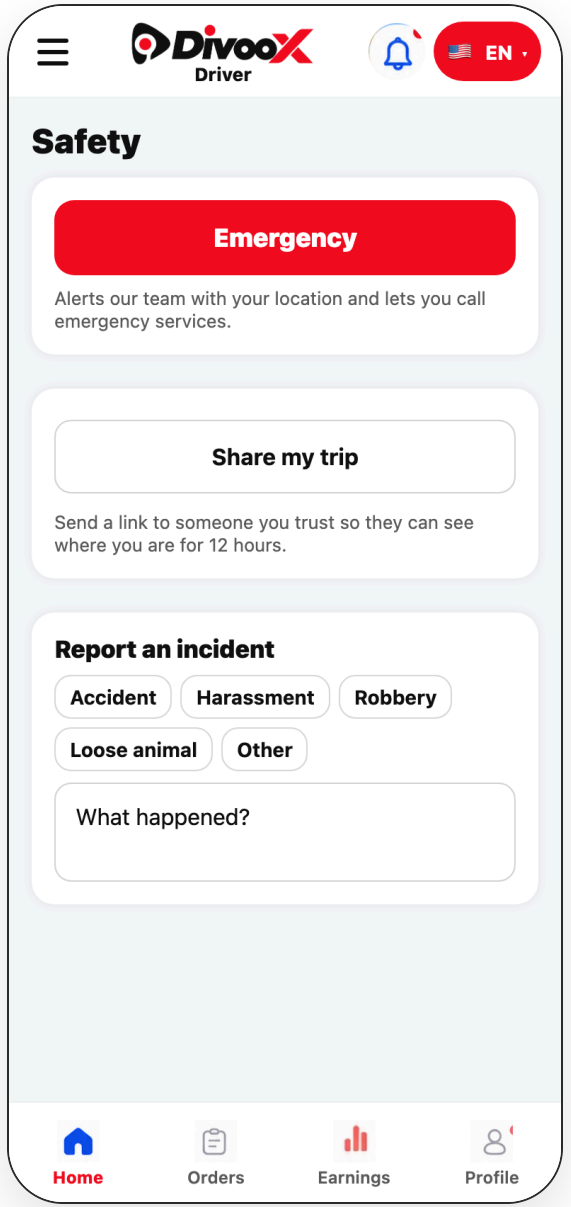

Top driver

- Your rating, acceptance, completion and on-time rates, always visible.
- Meet all five requirements and you get offers before others.
- You know exactly what you’re missing.

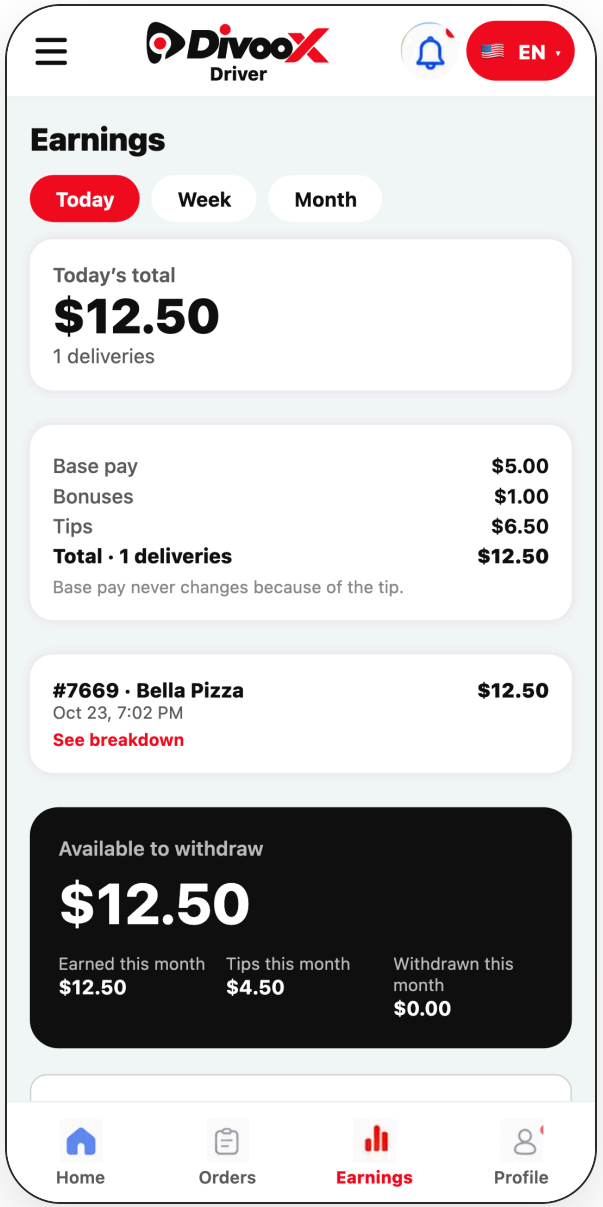

Your safety first

- Emergency button: alerts our team with your location.
- Share your trip with someone you trust.
- Report an accident, a robbery or harassment in seconds.

Your earnings

- Every delivery with its breakdown: base pay, tip and bonuses.
- By day and by week.
- Your wallet with every transaction.
